

Concierge services

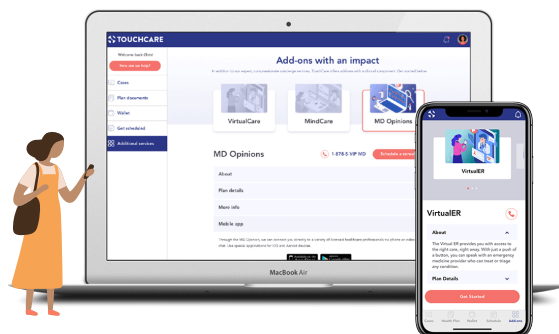

Healthcare, pocket-sized

With TouchCare's mobile app, you have access to all of our concierge services, conveniently available on your iOS or Android device.

Get started in minutes

The Complete Package

Get help with a confusing bill, find a nearby provider, or just simply ask a quick question using our convenient drop-down menu.

Easy to use

Core Features

All of TouchCare's concierge services in one place.

Open a case

Start your cases with a click of a button. Our Health Assistants will reply directly through the app.

Get Scheduled

Scheduling a consult is now available through our app or online portal. Simply click the "get scheduled" tab.

Access Add-Ons

If your plan includes any additional services, you can access them easily by clicking 'add-ons.'

View plan documents

View all of your insurance plan documents. No more searching through emails or waiting on hold.

Tell us what you need

We're here to connect

Our Health Assistants aren't just available on our app! You can also open a case via email, our online portal, or by phone.
